

NEW CENTURY
PORTFOLIOS

Dear Fellow Shareholder:

On September 19, 2017, the New Century Portfolios made distributions to shareholders of record on September 18, 2017, as noted below. These distributions were made pursuant to the Agreement and Plan of Liquidation and Dissolution of the Trust adopted by New Century Portfolios' Board of Trustees. As previously reported, New Century Portfolios will close and distribute all remaining assets to Shareholders effective September 29, 2017. Mutual funds are required to distribute income and gains to their shareholders in order to avoid income and excise taxes. The shareholders in turn must include these distributions as income for tax purposes whether the distribution was received in cash or reinvested in additional shares. Failure to comply with these rules may result in "double taxation" of the income and gains.

A Form 1099-DIV will be mailed to you in January 2018 to report the distributions for your individual accounts in each of the Portfolios.

The distributions paid by the New Century Portfolios in 2017 are as follows on a **per share** basis:
