

NEW CENTURY
PORTFOLIOS

Dear Fellow Shareholder:

On December 31, 2013, the New Century Portfolios made distributions to shareholders of record on December 30, 2013, as noted below. Mutual funds are required to distribute income and gains to their shareholders in order to avoid income and excise taxes. The shareholders in turn must include these distributions as income for tax purposes whether the distribution was received in cash or reinvested in additional shares. Failure to comply with these rules may result in “double taxation” of the income and gains.

A Form 1099-DIV will be mailed to you in February to report the distributions for your individual accounts in each of the Portfolios.

The distributions paid by the New Century Portfolios in 2013 are as follows on a per share basis:

Income 6/28/13	0.0000	0.0000	0.0000	0.0000
