

New Century Funds Automatic Investment Plan Authorization

Each month, I would like to have Ultimus Fund Solutions, LLC (the "Transfer Agent") draw an Automatic Clearing House (ACH) debit electronically against the account of my Financial Institution listed below, to purchase shares in one of the New Century Funds. I understand that shares of the Fund are purchased on the day of the debit.

Please begin Automatic Investing for me and invest \$ _____ (\$50 minimum) into the Fund on:

- the last business day of each month
- the 15th day of each month
- both the 15th and last business day

MY NEW CENTURY FUND NAME.

MY NEW CENTURY ACCOUNT NO.

NAME OF FINANCIAL INSTITUTION

ADDRESS OF MY FINANCIAL INSTITUTION

MY FINANCIAL INSTITUTION'S
ABA NUMBER

MY ACCOUNT NO.

NAME(S) ON ACCOUNT

I understand that my ACH debit will be dated each month on the day specified above. I agree that if such debit is not honored upon presentation, the Transfer Agent may discontinue this service, and any purchase of Fund shares may be reversed. I further understand that the net asset value of shares of the Fund at the time of such reversal may be less than the net asset value on the day of the original purchase. The Transfer Agent is authorized to redeem sufficient additional full and fractional shares from my account to make up the deficiency. The Automatic Investment Plan may be discontinued by the Transfer Agent upon 30 days' written notice or by the investor by written notice to the Transfer Agent provided the notice is received not later than 5 business days prior to the specified investment date.

SIGNATURE OF DEPOSITOR

SIGNATURE OF CO-DEPOSITOR (REQUIRED FOR JOINT ACCOUNTS)

Mark one of your personal checks "VOID" and attach the voided check to this application. As soon as your Financial Institution accepts your authorization, debits will be generated and purchases of Fund shares will begin. Please note that your financial institution must be able to accept ACH transactions. Please allow one month for processing of this Automatic Investment Plan option before the first debit occurs.
